The Colt Balok Show Announces

Lee Zlotoff as guest on Friday August 16, 2019

ALBUQUERQUE, N.M. – The Colt Balok Show announced that the next episode will be filmed on August 16th at 6pm at uStudios. This episode will include Lee Zlotoff. Zlotoff has over a hundred primetime credits to his name and is the mastermind behind *Macgyver*. The hit series ran on ABC between 1985 and 1992. He also produced and directed many other shows and films that nominated him for awards such as the Audience Award and the Grand Jury Prize.

Eric Chavez, Producer of the show, said that Zlotoff's idea of solving problems through humor and humility is something that he is excited to share with the show's audience. "We want to make people think differently on this show," Chavez said, "We all have problems that we encounter every day and we want everyone to have the opportunity to have as many ways as possible to solve them."

The team is excited to dive deeper into that mindset of humor and humility. "I think it's important to be able to take a step back and laugh at the things that are happening or have happened," said Colt Balok, the host of the show. "My team and I are definitely not afraid to laugh at ourselves and we have been humbled by our work more times than we can count. I'm excited to know how, not only my team, but everyone, can use Zlotoff's idea to be give their best life."

On top of Zlotoff's mind set, Balok says that he is excited to hear about the actual character of MacGyver. "I don't know a whole lot about the character but I do know that it was a huge hit when it first came out and is still prevalent today so I'm excited to see how he was able to stand the test of time."

The Colt Balok Show and uStudios are pleased to welcome Lee Zlotoff for this episode. The event is open to the public at 6 pm on Friday August, 16th at uStudios, 912 3rd St NW, Albuquerque, N.M., 87102. The show will include an audience Q & A and time for pictures with Zlotoff and Colt. The event is free, but a ticket request is required. Click the link to request a ticket
